

Etlund NSF Certified Heavy Duty One Piece Tongs

Our new NSF Certified one-piece heavy duty tongs eliminate springs and are available in uncoated stainless steel or in 6 cool grip colors to help meet every operators HACCP program. With each tong available in three sizes and two different paddle styles, Edlund now offers operators a colorful way to help solve food safety problems.

Gripper Tong

Scallop Tong

Both models are available in 10", 12" and 16" sizes (25.4 cm, 30.5 cm or 40.6 cm).

-  Raw Meats
-  Uncooked Poultry
-  Fruits & Vegetables
-  Raw Fish & Seafood
-  Cooked Meats
-  Miscellaneous

The permanently bonded color-coded handles provide a cool solution towards managing controlled food contact and help maximize your HACCP program.

Edlund now offers 42 more ways to get a grip on food safety.

Gripper paddles flat head design help safely pry apart frozen foods without breaking off pieces.

Both models are available in 10", 12" and 16" sizes (25.4 cm, 30.5 cm or 40.6 cm).

Both paddle styles feature Edlund's unique center hole punch design which provides extra drainage and reduces chance of burns.

FEATURES:

- NSF Certified
- One-piece springless design eliminates bacteria prone food traps
- Heavy gauge all stainless steel tongs also available without color-coding
- Made in U.S.A.
